**Subject:** Reference – Dog Walking & Pet Sitting

My partner and I have had Lori come take care of our 4 "kids" for some time now. We are both shift workers, and we require some late/early times for the dogs to be taken out. Lori has always accommodated us with that request.

Lori is a fun, caring, energetic caregiver to our animals. We know that our pets are safe, loved and cared for when Lori is there. She always leaves us notes when she has cared for our animals and is always sending pictures of them to us while we are at work, which makes us smile!

The rates for the services are extremely fair and they are affordable. We honestly couldn't ask for a better dog sitter/walker. I'm so happy we found Lori!
