

When I moved from Manitoba, I had hoped to find a good petsitter. Lori has exceeded my expectations. From the moment that I met her, I could sense her warmth. My pets could also sense her kindness and they warmed up to her right away. For me, that was huge!

Whenever I travel, I have complete peace of mind when I leave my family in her care. I know my family will be well-cared for and given a lot of TLC. I am truly grateful for having her in my life.

Take care,  
Tara
